

Pulitzer Prize and National Book  
Award-winning Literary Journalist

# Tracy Kidder

in Conversation with Pico Iyer

## JUSTICE FOR ALL

**"Kidder's prose glides with a figure skater's ease, but without the glam. His is a seemingly artless art... that conceals itself in the sentences that are necessary, economical and unpretentious."**

*The Boston Guide*

With a reputation for faultless prose and profound insights, Tracy Kidder's mesmerizing profiles include *Mountains Beyond Mountains*, the Pulitzer Prize-winner *The Soul of a New Machine* and his forthcoming work, *Rough Sleepers: Dr. Jim O'Connell's Urgent Mission to Bring Healing to Homeless People*.

**Speaking with Pico Series Sponsors: Martha Gabbert, Siri & Bob Marshall, and Laura & Kevin O'Connor**

*Presented in association with Doctors Without Walls/Santa Barbara Street Medicine,*

*and the following UCSB Departments: UCSB Office of Diversity, Equity, and Inclusion, and Basic Needs Resources*

*Special Thanks:*
